If you do not pay by the 4/19/10 discount date, the final balance is due no later than Monday 5/24/10.

Please note: Failure to RSVP YES or meet the payment schedule may result in the loss of your reservation. A reservation can only be added later if there is room available in camp.

The Adult price will vary depending on the number of Scouts/Adults that attend, but should be in the range of $50 - $70 for the full week. The Adult payment will be due with the final roster 5/24/10. ADULTS that would like to attend just part of the week have the option to pay $5/meal instead.

Checks should be made payable to Troop 734, or payments can be deducted from a Scout/Adult's account if there is a sufficient balance to cover the camp cost. **All payments are NON-REFUNDABLE**.

Thanks and we hope to see you at Summer Camp!
